PSAT Testing, October 26, 2023

We will be administering the PSAT (Preliminary SAT) on Wednesday, October 26, 2023 to all 10th grade students. The PSAT is a valuable opportunity for our students to prepare for the SAT and gain insights into their college readiness.

The PSAT is a standardized test that measures critical reading, writing, and mathematical skills. It is excellent preparation for the SAT, which is a key component of the college admissions process. Beyond that, the PSAT serves as the National Merit Scholarship Qualifying Test (NMSQT) for juniors, offering a chance to earn scholarships and recognition for their outstanding performance.

Effective Test Preparation Strategies:
Get a Good Night's Sleep: Ensure you are well-rested the night before the test. A good night's sleep can significantly improve your focus and concentration.

Eat a Healthy Breakfast: On the day of the test, have a nutritious breakfast to fuel your brain and sustain your energy throughout the exam.

Stay Calm: Keep a positive mindset. Stress can affect your performance, so practice relaxation techniques to remain calm during the test.

We look forward to a successful testing day on October 26, 2023.
