House Bill 763 (2024 Session)

SECTION 10. OPEN ENROLLMENT INFORMATION. *The State Department of Education shall withhold the November payment for any school district that is not in compliance with the provisions of Section 33-1409, Idaho Code, until such time as such school district becomes compliant.*

33-1409. MEASURING AND REPORTING CAPACITY. (1) Every school district must determine maximum enrollment for each grade-level. The district will use the maximum enrollment to determine space available for transfer applications. For secondary grades, a district may use core classroom size per grade level as the standard to determine maximum enrollment.

(2) *Not less than four (4) times during the school year, every school district shall publicly post on its website the space available at each grade-level and at each school*. Space available shall be determined by comparing the maximum enrollment to the number of pupils actually enrolled. A school district that does not meet the minimum sample size necessary to prevent unlawful release of personally identifiable student data established pursuant to subsection (5) of this section is not subject to the publication requirements pursuant to this subsection.

(3) Not less than four (4) times during the school year, every school district shall report to the state reporting system the space available at each grade-level, school, and in each program, the number of transfer applications, the number of accepted transferred pupils, and the number of denied applications.
